

**FILED**

## UNITED STATES COURT OF APPEALS

APR 16 2003

## FOR THE NINTH CIRCUIT

CATHY A. CATTERSON, CLERK  
U.S. COURT OF APPEALS

HEMP INDUSTRIES ASSOCIATION; et al.,

Petitioners,

v.

DRUG ENFORCEMENT  
ADMINISTRATION; et al.,

Respondents.

No. 03-71366

DEA No. 205-F

ORDER

Before: SCHROEDER, Chief Judge, B. FLETCHER and KOZINSKI, Circuit  
Judges

Petitioners' motion to stay the Drug Enforcement Administration's "Final Rule--Clarification of Listing of 'Tetrahydrocannabinols' in Schedule I," published at 68 *Fed. Reg.* 14114 (March 21, 2003), pending the court's review of this petition for review is granted.

The court notes that the filings submitted by both parties do not comport with Fed. R. App. P. 27(d)(2) and 9th Cir. R. 27-1(1). Specifically, respondents' opposition exceeds 20 pages and the typeface is not 14-point or larger. Petitioners' filings are deficient because the footnotes contained therein are smaller than 14-point. The court accepts these deficient filings because of the

03-71366

urgent nature of the relief requested. However, the parties are directed to comply with the court's typeface and page limit requirements in all future filings.

The briefing schedule established previously shall remain in effect.
